

Letter of Recommendation

I am writing this recommendation as a teacher at the EU Business School in Munich.

SUSHANT VASHISHT was a student of mine in the Master's program in the Spring Term of the academic year 2024/25.

Sushant was always in full command of his sphere of activity and confidently dealt with all issues. He constantly kept his outstanding expertise up-to-date. Sushant was very proactive and committed at all times. The results of his work were consistently excellent, even amid changing demands.

Thus, Sushant invariably fulfilled the tasks he had been entrusted with to my total satisfaction. Whatever problem he faced, he solved it independently, carefully, and systematically. His work style was always focused and efficient, characterized by a very clear structure.

He also impressed with his social skills and was well-liked by his fellow students.

Beyond his obligations, he was always willing to go the extra mile, making him one of the best students I have ever had.

I would be pleased if Sushant could get his targeted job. In that case, I am convinced that he will not disappoint his employer.

For further information, I am at your disposal.
